Experience Certificate

Duaya for Digital Health Solutions in the Middle East
April 2025 24

To Whom It May Concern,

This is to certify that Eng. Amr Alaa Ali Abdelhalim collaborated with Duaya initially as a Freelance Mobile Developer. His exceptional technical skills and attention to detail led to his formal appointment as a Senior Flutter Developer & Software Engineer from February 2023 to January 2025.

During his tenure, Eng. Amr led the "Duaya" project, directly contributing to its award-winning success through:

Smooth UI/UX animations enhancing user engagement.

Seamless API and third-party integrations ensuring robust performance.

AI-powered features that set the platform apart.

Collaboration with the backend team to optimize performance and scalability.

We strongly endorse Eng. Amr for senior roles in Flutter development, AI integration, and technical leadership. His expertise and drive will undoubtedly add value to any organization.

Sincerely,
Ahmed Fazara
CEO, Duaya
